Member Testimonials

Jeetu Singh — SaaS Founder

Running a small SaaS startup solo. Couldn't afford Janakpuri coworking rates so tried Hoblix. 20-minute commute, half the price, reliable internet, and a comfortable space to work.

Muskan — Independent Professional

I come in every morning, grab my coffee, and get into deep work mode. What I appreciate most is the safe and respectful environment — as a woman working independently, I've never felt uncomfortable here.

Khushi Gupta — Community Member (Front Desk)

Every day I meet founders, freelancers, creators — all kinds of people. The energy is motivating. Management treats us with respect. Good place to work and grow.

Abhay Singhavi — Creative Professional

The space is well-designed, natural lighting is decent, and there's enough table space for my laptop and sketches. Meeting rooms are a lifesaver when clients visit. Location near Najafgarh Metro means clients from Dwarka and Gurugram reach easily.

Prateeksha Sharma — Freelance Graphic Designer

Finally, a proper co-working space in Najafgarh! It's a game-changer. I genuinely feel safe as a woman — the staff is respectful. Also very near to metro station.

Rahul Chawla — Chartered Accountant

March used to mean 16-hour days in a bedroom that didn't feel like an office. I booked a Hoblix cabin for filing season, walked into client meetings looking like I ran a proper firm. My clients noticed before I said a word.

Sneha — Content Strategist (Vikaspuri member since Oct 2025)

I live in A-Block and was commuting to a space in Connaught Place — 45 minutes each way. I drive to Hoblix now. Najafgarh Road is clear most mornings, I'm at my desk in 15 minutes, and I park for free. The space is cleaner and quieter, and I'm paying less than half.

Vikram — Advocate (Punjabi Bagh West, member since Oct 2025)

I kept a desk near Central Market for ₹12,000/month. I moved to Hoblix for the cabin days. The drive is 22 minutes, I save close to ₹8,000 a month, and the cabin is quieter than anything I had before.
